Downloading the **Android** Apps

Teacher/Instructor

Quick Start Guide

- Log into the Odyssey platform here:
<https://robotlab.schoovr.com>
- Search the library and launch an Expedition.
- Download the Android applications (Hybrid and VR) from the downloads page.
- Connect the Android device to a computer and copy the files into the phones download folder. **Make sure the device allows files to be copied over.
- Install the new applications.
