Instructions for accessing the EduVR platform and adding teachers

ADMINISTRATOR

- The EduVR team will provide you with a license key. Visit the license key page and copy your code: https://app.eduvr.ma/licensekey
- Click the 'Invite a teacher' button. Add a teachers name (Ms. Smith) and add their email address.

Administration Dashboard

- The invited teacher will receive a confirmation email (the email might arrive in spam/promotions folder).
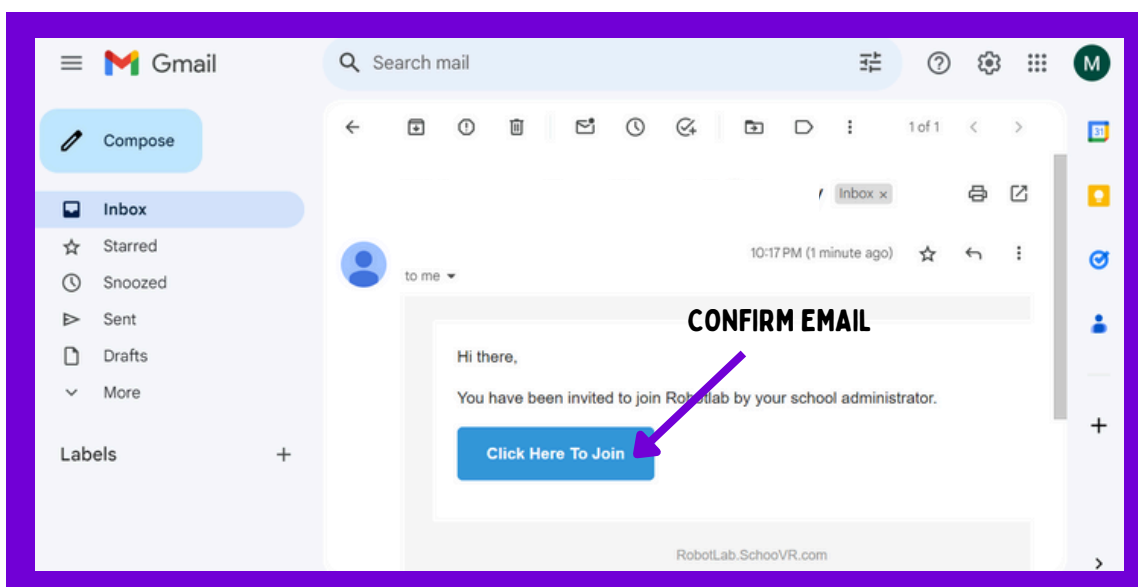

Troubleshooting

Administrators can manually create teacher accounts without an email confirmation. To bypass the authentication process, click the copy invitation link and paste the URL into a new tab in your browser.
